About Me

Business-driven IT Business Analyst with a background in Software Engineering. Skilled in translating business needs into technical solutions, working in Agile teams, and collaborating across stakeholders. Quick to adapt, self-taught, and passionate about using modern tools to optimize performance.

Education

Software Engineering
FPT University 2023 - 2025

- GPA: 3.2 / 4.0
- Relevant coursework: Software Development Project, Project Management for Software Engineering, Academic Writing and Research Methods, e-Commerce Systems and Applications, UI/UX Design

Software Engineering
FUNiX University 2020 - 2024

- GPA: 3.6 / 4.0
- Relevant coursework: Database Systems (SQL), IT Ethics, Workplace Communication, Software Requirements Engineering, Software Architecture and Design, Software Quality Assurance and Testing.

Experience

System Analyst
VPBank (Vietnam Prosperity Joint Stock Commercial Bank) 09/2025 - Present

- Wrote SRS (Software Requirements Specification) for the "Overdraft Cross-sell" product, enabling 100% automated approval.
- Coordinated UAT for the end-to-end loan origination flow, ensuring data accuracy from Front-end input to Final Disbursement.
- Designed RESTful API specifications and data mapping for the Instant Overdraft product, connecting Mobile Banking (NEO) with the Core LOS.

IT Business Analyst
FPT Software 09/2024 – 12/2024

- Facilitated requirement workshops between business users and developers.
- Analyzed supply chain data and translated insights into dashboard requirements.
- Interpreted SAP data structures to clarify workflows and process needs.
- Produced user guides and training materials for end-user onboarding.
- Applied Agile practices to improve team collaboration and delivery speed.

IT Business Analyst
Netacom (HCM Branch) 06/2022 – 12/2022

- Gathered and analyzed system requirements from stakeholders.
- Wrote user stories, use case diagrams, and functional specs.
- Supported QA by creating test cases and reporting bugs.
- Helped improve communication and transparency across dev and business teams.

Tutor & Academic Assistant
FUNiX University 07/2023 – 08/2024

- Mentored students in programming fundamentals and project development.
- Encouraged critical thinking through real-world coding challenges.

Blog Translator
Truly Inspired 01/2023 – 1/2025

- Translated articles on life coaching and psychology.
- Refined writing and cross-cultural communication skills.
